

Created in Mount Barker 30 years ago, the Qantas Wine Show of Western Australia has earned a reputation as one of Australia's most respected wine shows - mirroring the growth of the state's wine industry and providing wine enthusiasts with insights into the best of Western Australia's wines. It is the only show in Australia to exclusively judge Western Australian wines.

The Qantas Wine Show of Western Australia anticipates continued growth as it enters its 30th anniversary year. The 30th awards in 2007 show will welcome as the Chief Judge, James Halliday - arguably Australia's most recognised wine personality, wine writer and wine judge.
